Interview for the Award of DRDO Junior Research Fellowship (JRF) (1 Post)

The Institute of Nuclear Medicine and Allied Sciences (INMAS), a specialized laboratory under the Defence Research and Development Organisation (DRDO), is dedicated to advancing the readiness, preparedness, and strategic resilience of the armed forces against radiological threats.

INMAS invites applications from young and meritorious Indian nationals, who desire to pursue research as Junior Research Fellow (JRF) in R & D Management in Office of Director General (Production Coordination & Services Interaction) located in DRDO Bhawan, Delhi. Office of DG (PC&SI) is involved in formulation of policies for facilitating faster induction of DRDO developed systems by Armed Forces; transfer of DRDO developed technologies, extending technical support and hand holding of Indian industries involved in development and production of systems; facilitating cooperation among DRDO labs, foreign government agencies and academia for futuristic S&T and development of advanced systems; supporting MHA and CAPFs by providing technical solutions based on indigenous technologies.

1. DRDO Junior Research Fellowship (JRF):
